WE READ THE RULES. YOU SHIP THE PRODUCT.

But what's holding Europe back ?

“The broader challenge is that Europe, despite its economic size, still operates as a collection of individual countries rather than as a unified market in the way the U.S. does.

This makes it harder to build companies at scale”

- Daniel Ahremark, CFO of Mews -

27 Regulatory Systems .

24 Languages .

Patchwork of tax, labor and data laws .

“America innovates, EU regulates.”

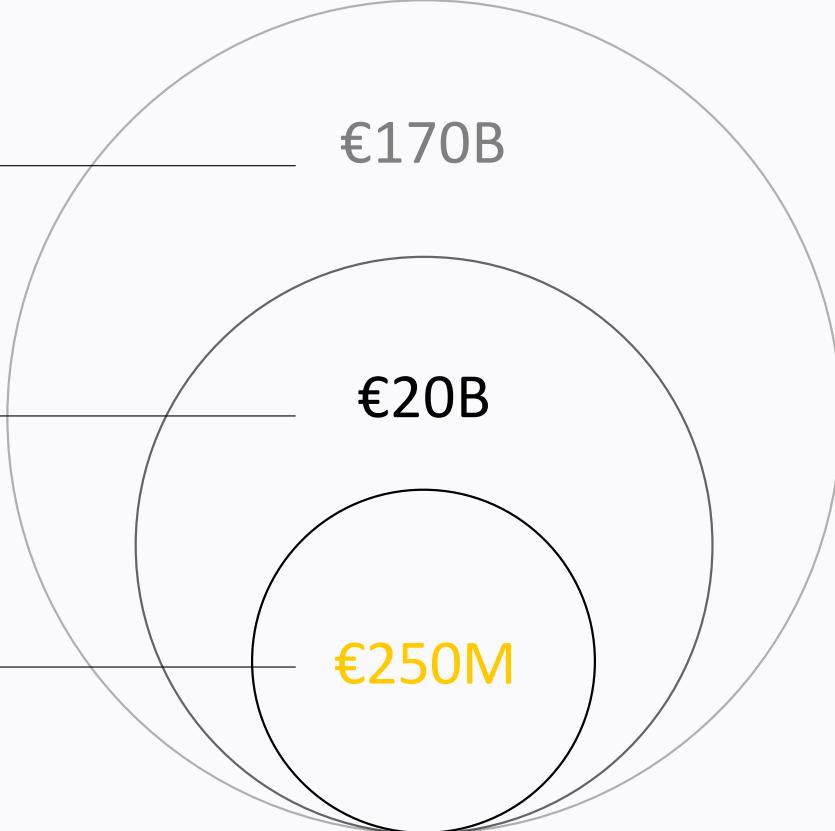

Live Demo

The screenshot displays the EUgene dashboard interface. At the top, there's a navigation bar with links for Dashboard, Board, Assistant, Settings, and Log out. Below the navigation is a "Welcome Back" message stating "Tracking 13 items across your 2 regulatory topics". The dashboard features several cards:

- Total Tracked:** 13 Legislative items
- Active:** 13 In progress
- This Week:** 0 New updates
- Your Topics:** 2 Monitored areas
- Recent Updates:** No recent updates in the last 30 days. A call to action says "Configure your topics in Settings".
- Your Topics:** AI Act (0), GDPR (13)
- Most Active Topics:** GDPR (13, 100%)
